### **PARAFIELD AIRPORT INCIDENT**

Adelaide Airport is saddened by the tragic events that unfolded at Parafield Airport this afternoon.

A light plane crashed into a hangar and we have been advised that two people in the plane have died and a number of others at the hangar are being treated in hospital.

Our deepest condolences go to the families of the two people who lost their lives.

Our thoughts remain with everyone affected by this incident, including those who are undergoing treatment, their loved ones, Parafield Airport staff, Flight Training Adelaide staff and first responders.

Adelaide Airport will support emergency services and the Australian Transport Safety Bureau in their investigation of this incident.

Parafield Airport has been closed and we ask that members of the public avoid the area while the emergency services continue their work.
