- The Coopers Bar, along with a number of other existing retailers, have relocated into pop-up outlets while refurbishment of the retail areas continues.
- Changes to hoardings in the terminal can be expected in late February into March as refurbishment of the existing terminal concourse continues.
- New airline and other tenant offices are opening in the new northern expansion.

Current customer impact

- Exciting new retail outlets will soon be available on the northern concourse adjacent to Gates 14-16.
- Customers will continue to see building works and changes to retail inside the terminal.

- Check in and boarding times are as recommended by your airline.
