

Terminal Expansion Update

Issue 08 / December 2020

TEx Project continues to take off!

Latest update

- The retail concourse and northern gates re-opened on 4th December after a long term closure due to COVID-19.
- The new International Departures pathway opened on 8th December, greatly improving the outbound journey and customer experience. More information can be found in our [Media Centre](#).
- Construction and refurbishment works continue throughout the terminal to complete international arrivals areas and new forecourt areas. For the most up-to-date information, go to <https://www.adelaideairport.com.au/corporate/about-us/projects/terminal-expansion-project/>.
- Retailers have been significantly affected due to COVID-19, however the majority of our stores are now open. More details can be found at [Retail News](#).

Current customer impact

- Some terminal amenities remain closed due to the current reduced flight operations.
- Noise generated by construction activity may be heard in close proximity to work zones inside and outside the terminal.
- Expect some changes to customer experience and retail offerings.
- Check in and boarding times for essential travellers are as recommended by your airline.
- COVID-19 safety measures are in place throughout the terminal including social distancing in queues, reduced seating and sanitisation stations.

Construction Facts

- Average work force maintained throughout 2020 was 160 workers with 125 workers on site leading into Christmas. Average number of man hours of 825,710 for 2020
- 1200 cubic metres of additional concrete poured

Project Milestones

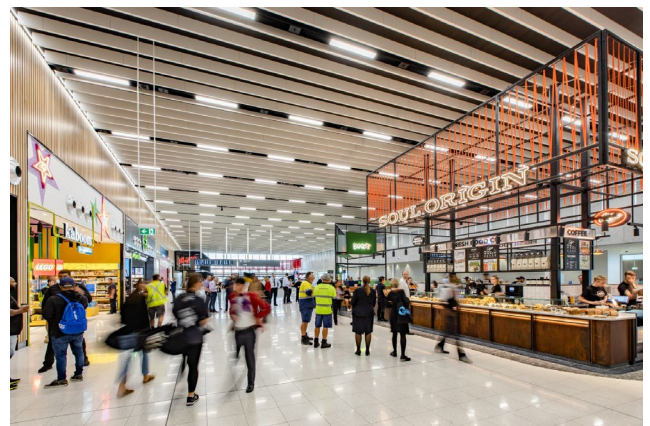

- Significant advances in project works across all levels in the last 6 months Jun – Dec 2020
- Façade now complete
- Completion and handover of several areas within the terminal, including;
